Dear Mike,

On behalf of all of the staff at Operation Food Search, I would like to say "Thank You" and congratulations on running a successful food drive. Your generosity has played a significant role in making a difference in people's lives.

The 4808 pounds of food brought in through your food drive at the address above means that we are fulfilling our mission to help those in desperate need in our community. The donation from your food drive is valued at \$7500.48!

This is one of our best collections of the summer. It is really amazing to see such a big number on your first food drive. Hopefully, our member agencies who will receive this food can help your members in their time of need – now and in the future.

If there is any way in which you would like to partner with Operation Food Search in the future, please do not hesitate to call.

Kindest regards,

Gary Wells
