

AN IMPORTANT MESSAGE FROM YOUR UNION

**It's Now or Never for
Health Care Reform**

The House and Senate have passed health care reform measures, but now they have to hammer out a final bill they all can agree on. We have to keep the pressure on to ensure that the final version will help, not hurt, working families.

FOR HEALTH CARE REFORM

Call your representative toll-free at

(1-877-323-5246)

Urge him or her to support working families by voting for health care reform that:

- DOES NOT tax our health care benefits.
- Requires employers to pay their fair share.
- Reduces costs—and the best way to do that is with a public health care option.
